

Dear Parents:

We are pleased to announce our Summer 2021 program. Enrollment is limited and done on a first come, first serve basis. We are still at a 15 child maximum per classroom. According to the policies set forth by the state of NJ, we cannot take the children on field trips. We will bring in special visitors that can be done outside and plan a variety of activities that will be indoors in the building. The weeks you choose, will be billed accordingly. We are offering a 3 or 5 day a week schedule for the Summer (days and weeks **MUST** be chosen with this form). We also will require a minimum of 4 weeks in total. If you only sign up for 4 weeks, the summer camp fee is \$75.

The Summer camp fee is \$125 for all 10 weeks, plus your monthly tuition.

New students, registration fee \$100/child.

We have planned out our summer camp program for children who will be attending Little Learners this summer. **All children will be receiving a school t-shirt to be worn on all school trips. The younger children will also be receiving a t-shirt as well.** We have added fun and exciting trips and special activities for your children to enjoy. As you can see, there will be something fun and special going on each and every week at Little Learners all summer long. All children attending this summer must participate in our summer camp program.

We are charging one activity fee for all the events rather than charging a trip/special visitor fee for each event scheduled during the summer. **The summer activity fees are in addition to your monthly tuition fee.** The fee for the summer camp program is \$425 for the entire summer for the children in the age groups that will be attending the field trips. This fee includes all costs for transportation, and admittance to all our special activities. The fee for the children who are not potty trained (or if you choose not to send your child on the trips) and/or are not able to go on field trips will be \$200. We are providing a wide variety of activities for your child that will be both fun and educational. All our trips are subject to weather conditions, with a make-up day. Once we have our dates set for all trips and visitors, we will send out a full summer calendar.

Thank you,
Meryl McCaffrey
[Director]
